

WORKFORCE EDUCATION at NHTI

START YOUR CAREER IN HEALTHCARE

Become a **Licensed Nursing Assistant (LNA)** at NHTI in Concord, NH.

Looking for a rewarding career where you can make a difference every day? NHTI's Licensed Nursing Assistant (LNA) program helps you build the practical skills and knowledge to provide essential, hands-on care to patients and residents. As an LNA, you'll work alongside nurses and other healthcare professionals, helping people with everyday needs while providing comfort, dignity, and compassionate care.

Why should I get an LNA license?

Becoming an LNA is a great way to start a career in healthcare. LNA training can prepare you for direct patient-care roles while giving you valuable experience in the healthcare environment. It can also be an excellent first step for individuals who may ultimately want to continue their education in nursing or another healthcare profession. It's also an affordable place to start your education.

An LNA career may be right for you if you want to:

- Make a meaningful difference in people's lives
- Gain hands-on healthcare experience
- **Obtain a job in the healthcare career relatively quickly**
- Build a foundation for future education in nursing and healthcare
- Be part of a healthcare team that cares for patients every day

More details

LNAs may find opportunities in a variety of settings, including:
Hospitals • Nursing Homes • Assisted Living Communities • Rehabilitation Centers • Home Health Care • Hospice and Other Healthcare Settings

For many people, becoming an LNA is both a career opportunity and a stepping stone. The experience you gain working directly with patients can help you explore additional healthcare careers and decide where you want to go next.
